

## Slow Shutter Speed Exercise

### “Light Painting”

You need to submit 5 8.5 x 11 printed images (do not staple them) of your light paintings

Your name can be written on the back of each printed image in pencil with the period we meet as well.

Step 1-

After uploading your images, open Photoshop.

Step 2-

Go to File, Browse in Bridge. Find an image of yours that you want to edit. Double click the image and it will open in Photoshop.

Step 3-

Go to layer, duplicate layer, crop your image (make sure you set it for 8.5 x 11)

Step 4-

Go to Image, Adjustments, Curves and work on the highlights/shadows.

Step 5-

Use the patch tool to fix any distractions from the background.

Step 6-

Go to Image, Adjustments, Hue/Saturation to alter the colors.

Step 7-

Flatten all layers by going to Layer, Flatten Image. Save as JPEG.

Step 8-

After saving to your student ID #, Make a copy of your image in Student Commons

Step 9-

Print your images.
